

Dear Parents and Guardians,

Welcome back Evan! We are so excited that Evan is back at school for half days. He is doing great and the kids are very excited to see him!

Isabella Mangion, a third grader in Ms. Conforti's class, received a huge surprise last week. Her brother, Johnathan, who is a Marine, surprised her with a visit to her classroom. He was gone for seven months and she had no idea he was home. The picture below is of Isabella and Jonathan during the homecoming surprise. Isabella's smile says it all. Thank you for your service Johnathan!
