## Student Handbook 2018-2019 Pre-K - Grade 8

## Dear Parent/Guardian:

Welcome to the Haverhill Public Schools. In order to assist you with questions and concerns, the district provides an *online* Student Handbook for your review. It contains essentials that are critical to the operation of your child's school and serves as a guide to familiarize you with the district's policies, procedures, and expectations. This handbook is an integral part of a successful school year for your child.

Please print and keep this handbook in a convenient location in your home. For quick reference, please also note its location in the Parent and Student Resources section of the Haverhill Public Schools webpage (www.haverhill-ps.org/handbooks/). Feel free to contact your child's principal with any questions or comments.

It is important that both you and your child sign and return this form after reviewing the handbook online. It must be returned to school with your child by October 10, 2018.  I acknowledge that I have reviewed the online 2018-2019 Student Handbook, and understand the procedures and guidelines included therein.
