

Have Fun, Learn Science, Raise Money!

Whiz Kidz

STEM Parties & More

Science • Technology • Engineering • Math

Two ways to raise money for Caleb Dustin Hunking PTO

Join the Whiz Kidz STEM Club

Whiz Kidz STEM Club is an eight-week exploration of the coolest ideas in Science, Technology, Engineering and Math. Weekly meetings feature a variety of interactive, engaging, hands-on experiments and activities for kids in grades 4 through 8.

Whiz Kidz STEM Club meets Thursdays from 3:45 to 5:00 p.m. at Buttonwoods Museum in Haverhill. **Our next session starts September 21st.** The cost is \$200 for an 8-week session.

Ignite your child's curiosity!

Have a Science Themed Birthday Party

Imagine a birthday party full of foam-spewing, vortex-racing, rocket-launching fun! That's what Whiz Kidz brings to your home - inside or out. Children are awed and amazed.

Whiz Kidz provides 60-minute, science themed birthday parties for children aged 6-13. We offer a variety of interactive, entertaining, hands-on experiments and demonstrations.

Parties start at \$149.

Invite Whiz Kidz to your next party - it's a blast!

Whiz Kidz will donate \$25 to the Hunking PTO for every STEM Club sign-up and 10% of the base cost of any birthday party!!!
