Child Find Screening

It is the responsibility of Haverhill Public Schools to identify any child who is a resident of Haverhill who may have a disability. Child Find is a continuous process of public awareness activities, screenings and or evaluations designed to locate, identify and refer as early as possible all young children with disabilities and their families who are in need of preschool special education. The Haverhill Public Schools is committed to locating children 3 – 5 years of age in order to provide early intervention services. If you have any concerns or questions about your child's development and would like to have him or her screened, we will be holding the screenings at Moody School on Friday, February 2, 2018, between 11:00 – 2:00. Please call the main office to book an appointment at (978) 374-3459.
