8 week session

Ages 3-6

Any child that is 6 years old but in 1st grade must play in the 1st/2nd grade league

PRESCHOOL FLOOR HOCKEY

Bring your preschooler down to the Haverhill YMCA for our Preschool Floor Hockey League. Children will be instructed on the basic fundamentals of floor hockey including stick handling, shooting, passing, scoring and teamwork while using age appropriate equipment. Player will be placed on teams and led by volunteer coaches. Teams will meet for an hour each week for thirty minutes of practice and thirty minutes of game play through the 8 week season. All players are asked to wear shin guards (soccer style or other) during all floor hockey game play. If your child wishes to bring their own hockey stick it must have a plastic blade.
