PREPARING TO RETURN

As we begin to prepare for a full return to school, please remember to contact our nursing staff should your student require specific medical equipment, (i.e. Epi Pens, Inhalers, medication, etc.), or assistance.

We are here to help you in anyway that we can. Please feel free to contact us with your medical needs or questions.

BIG CHANGES COMING

We are excited to have all of our K-1 students back in person next Monday, April 5th and we will welcome all of our 2nd-4th grade students on Thursday, April 8th. We will have a few new procedures in place to keep everyone 3 feet apart in class and 6 feet apart when eating. We'll begin to go over the new routines this week, just to get some practice in. Here are a few reminders:

Students must wear a mask at all times in school except when given a mask break by an adult. Students will not be allowed to enter school grounds without a mask.

If a student refuses to wear a mask, parents will be notified and the student will be sent home.

Breakfast will be served in the cafe now, instead of in the classroom, but is still available to all students. When your Bobcat arrives, they will go straight to the cafe to enjoy breakfast.

We will have some choices for lunch! I can hear the cheers now! Still limited to two choices of hot lunch - pizza or the hot lunch of the day.

If you are interested in helping monitor students throughout the day, we'd love to have you! Please contact the main office.
