

BOBCAT BULLETIN (low tech version) 5.8.21

Happy Mother's Day to all Mom's and caretakers of our Bobcats. I hope you have a fabulous day.

Being on time helps students get a healthy positive start to the day. We've had a number of tardy students this week. Please remember that you can drop off your students anytime between 8 and 8:30. At 8:31 they are late and marked as tardy. Being on time helps students get a healthy positive start to the day.

Congratulations to the 7th and 8th grade students who were inducted into the National Junior Honor Society last week. We are so proud of the hard work and citizenship they've shown over the years to earn this honor.

MCAS starts this week. Make sure students are on time for school and RLA students log in on time. **Students will not be allowed to enter the classroom once testing has begun.**

We are still looking for supervisors at lunch and recess now that all our friends are back. Please give us a call at the office if you can help! Flexible hours!

Please remind your students that cell phones are not allowed at Hunking. They may leave them in their backpack but cannot use them during the day. Please do not text your children or expect them to text you. If a student is using a phone, it will be confiscated and held in the office until a guardian picks it up. I assure you this is for the safety of all students.

From the PTO:

As you can see we have some important roles available on the PTO Board. Come join our family! If you have any questions on the positions available, please email us at hunkingpto28@gmail.com

G's Fundraiser - Wednesday, May 19th, 4-9 pm. Please see the flyer attached
Spirit Week - May, 20- May, 24. See attached flyer with what is happening in
