YOUTH & FAMILIES MENTAL HEALTH AWARENESS

The Haverhill Public Schools is pleased to offer a community event in collaboration with the Samaritans of Merrimack Valley.

The goal of this event is to provide our Haverhill Public Schools parents & staff with information about emotional well-being in order to better address mental health issues and suicide prevention.

The presentation will provide information about depression, anxiety and non-suicidal self-injury in an effort to help recognize these challenges and promote help seeking. We will also discuss suicide prevention efforts and how to recognize possible suicide risk. Resources will also be included.

There will also be a question and answer period following the presentations. Refreshments and child care will be Provided.
